Our Opportunities

LEGACY LETTERS LIAISON

Legacy Letters is a 6-week intergenerational program building community, writing a life narrative, and sharing that narrative across generations.

Volunteer roles include:

- Program outreach
- Co-facilitation
- Set-up and tear-down from events
- Videography assistance
- And more!

OFFICE ASSISTANT

Running successful programs always requires a lot of “behind the scenes” work and there are many opportunities for volunteers to assist with the operations of our center.

TECH CONNECT COACH

Tech Connect is a technology training program helping older adults thrive in the digital world. Courses, workshops and lectures are offered on topics for a range of skill levels and coaches receive free in-depth training. Volunteer roles include:

- Tech coaching
- Classroom assistant
- Program outreach
- And more!

PITCH US YOUR IDEA

Have another idea of a way you’d like to help? We’re always open to expanding programming and hearing how our community wants to be involved!
